

slipStream® Pro 12

For professional results cleaning patios, driveways, paths and block paving you can rely on the Honda SlipStream Pro 12 Pressure Washer.

For the ultimate patio and driveway cleaning experience, look no further than the SlipStream Pro 12 and 18" Surface Cleaner package. With the capabilities to clean 20spm in just 45 minutes, this pressure washing package is the perfect bit of kit when it comes to cleaning all different types of driveways, paving and patios!

Designed specifically for patio & driveway cleaning in mind, the SlipStream Pro 12 and Surface Cleaner is ideal for homeowners, exterior cleaning business start-ups, as well as established companies looking to expand the services they currently provide.

Both compact and easy to manoeuvre, the unit is easy to transport and fits neatly in the van. This compatibility makes the duo ideal for those on-the-go jobs.

The 18" Surface Cleaner is built to a high standard and with a width of 18" it makes cleaning those dirty driveways or algae infested patios an easy task!
