

slipStream® Pro Electric GT

The Pro Electric GT Pressure Washer Package is ideal for homeowners, business-start ups or companies looking to expand into the patio & driveway cleaning business.

For the ultimate patio and driveway cleaning experience, look no further than the SlipStream Pro Electric GT Pressure Washer and 18" Surface Cleaner Package.

Packed with power, the pressure washer and surface cleaning duo will have you soaring through a variety of exterior cleaning jobs including driveways, car parks, patios, baths, paving areas ... and more! The 18" Surface Cleaner is ideal for tackling larger areas and with 12LPM water flow, you'll get those dirty surfaces looking brand new.

Featuring a foldable handle for easy storage and mounted on a trolley, the unit is easy to both store and transport around (especially on uneven areas)
